Where it says “Write an optional comment...”, type in what your GoldMail message is about and click the POST button.

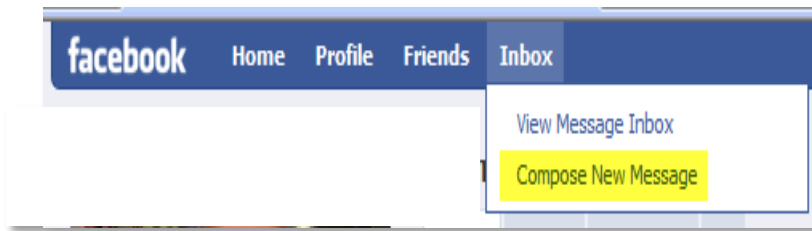

The GoldMail message and the text you entered appear on your wall and in all of your friends’ “News Feeds.”

If you want to ensure your friends see your GoldMail message, you can use the SHARE link under the message or, better yet, use Facebook to send them the GoldMail message directly!

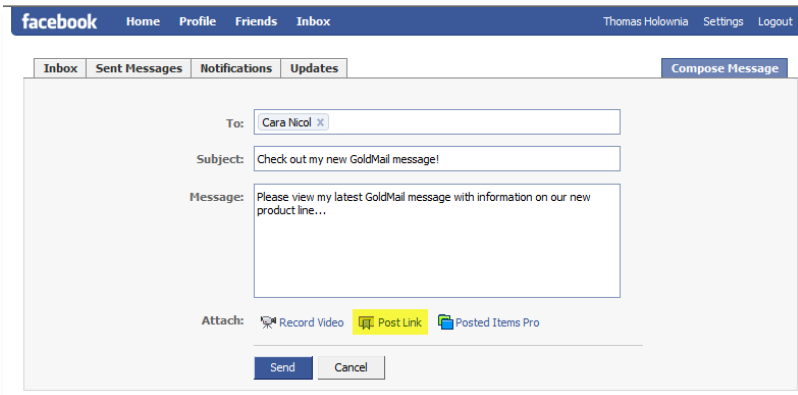

Go back to GoldMail and click the COPY LINK TO CLIPBOARD again for the message you want to share.
